4 held for converting license of relative

By Dev Kotak

The MRA Marg police station have arrested four persons, including two senior citizens for fraudulently converting a trader's license and impersonating him.

The incident took place last year in 2017 and the complaint was first registered with the Marine Drive police station. The complainant, who runs a coconut stall at Nariman Point, alleged that when he fell ill and moved back to his ancestral home in Kerala, he gave the license (in his name) to his nephew Hamza Moiuddin Kotuwala (60) and asked him to run the stall at Nariman Point. The license dates back to 1987.

Hamza's uncle alleged that the document and commodity license, including his name and photograph, had been tampered with.

"Hamza had control of the license, which his relative gave him before going back to his village. He sold the license fraudulently and got it converted in someone else's name. We sent the four accused a notice and asked them

90 DEATHS ON TRACKS IN 10 DAYS

Trespassing and being hit while crossing tracks are major causes of fatalities

72 Males
18 Females

By Jagruti Verma

Ninety people have lost their lives on railway premises across the city in the first ten days of the tenth month of the year, according to the daily accidental death report records of the Government Railway Police (GRP).

Further, 106 people were injured. Though a fraction of the number are natural deaths, most of the victims died by either falling off the train or crossing tracks. On October 10, 13 deaths were recorded, highest for the month so far.

"The numbers reflect the condition of the victim when they are found. In some cases,
